

Each year, across the nation, one event brings together entire communities to take part in the fight against cancer. That event is the American Cancer Society Relay For Life®. It's a time and place where people come to celebrate those who have survived cancer, remember those we've lost, and fight back against a disease that touches too many lives.

Thanks in great part to the donations from Relay For Life and other events, the Society is saving lives, helping those touched by cancer, and empowering people to fight this disease all over the world.

Come get the season started with our community Kick-Off at Goodnow Library on Wednesday, February 27th, at 6:30 pm. If you're interested in learning more or receiving information, please e-mail us at:
