

# Haynes Science Fair '08

## April 9th 6 - 8 PM

**Come one and all...**

to the **Haynes School Science Fair** on **April 9th** from **6 PM - 8 PM** to meet with our young scientists. Experiments and results of many hours of scientific investigation will be on display. Explorations include optical illusions, crystal gardens, produce powered clocks, magnetic moving cars, rocket power, volcanic eruptions and many more. Please join us for an interesting and educational evening at the Haynes Elementary School. **What about dinner?** Pizza, snacks and drinks will be available for purchase.

**Participants please read below**

### **Project Set-up/Check In**

- Check in & project set up will be from **5:30-6:15** on the day of the event, **April 9th**.
- You will obtain your table assignment upon arrival, and a name tag will be at your station.
- You will have 3 feet of table space to display your project.
- Partnership projects will be placed and reviewed with the highest grade-level grouping.
- Projects will be reviewed beginning promptly at **6:30 pm**

### **Project Review Schedule**

Your project will be reviewed and a certificate of recognition presented per the following schedule:

**Kindergarten and 2nd Grade - 6:30 to 7 p.m.**

**1st and 4th Grade - 7 to 7:30 p.m.**

**3rd and 5th Grade - 7:30 to 8 p.m.**

Please be at your station during the scheduled review time. We request your patience as reviewers cycle through all participating stations and talk with all the scientists.

**Direct all questions to the Science Fair Co-Chairs:**

**Jeri Tarini** [jeritarini@verizon.net](mailto:jeritarini@verizon.net) or 440-8584

**Liz Darley** [darleys@comcast.net](mailto:darleys@comcast.net) or 443-1835.
