

PMC Concord Kids Ride on Sunday, June 8th – Register To Ride

Join the fun and bike to raise funds for cancer research at the First Annual PMC Concord Kids Ride. The morning of June 8th will be a festive one on the Middlesex School campus in Concord with a choice of 1, 5 and 10 mile bicycling routes for riders ages 6-14, and activities for younger siblings. The safety of riders will be a priority, with adults accompanying young riders as they complete their routes on the roads surrounding the Middlesex School. Water stops, first aid, and support for tired riders will all be available and a party to celebrate with live music will complete the morning. Families are encouraged to register their kids early as there is a limit of 250 participants. Visit <https://kids.pmc.org> to register which requires a \$10 participation fee. For more information about the ride, volunteering or sponsoring the event, please visit <https://kids.pmc.org>.
