SERF Seeks New Board Members

Are you passionate about education? Do you want to have a positive impact on Sudbury's many classrooms? Consider SERF, the Sudbury Education Resource Fund. The Board works to raise money and award grants to the teachers, staff members and administrators of the Sudbury Public Schools and LSRHS to implement innovative new ideas in education. In fact, over the last 15 years, SERF has awarded more than \$750,000 in grants, funding projects in fields ranging from literacy to math, technology to music. Perhaps you have seen the impact of SERF around town and in our schools: maybe you have parked on the map of the world in the Curtis Middle School parking lot, enjoyed a concert performed on the many instruments funded by SERF, read from the hundreds of books we have purchased for every elementary school, attended a theatrical performance held at a school, or seen students in the woods, doing fieldwork on the environmental impact of loose strife. If you are interested in fundraising, granting, and truly making a difference, SERF is the organization for you. Please contact Co-President Beth Winograd at bethwinograd@comcast.net or 978-443-9482 for more information about the nomination process.
