Did you know SSEAC has 3 email lists that provide information, meeting notices and resources about special education? Visit www.sseac.org for more information or to join the SSEAC, LS-SEAC or Autism Spectrum email list

SEAC and LS-SEAC are state-mandated district-wide parent advisory councils. Parent advisory council duties include: advising the district on matters that pertain to the education and safety of students with disabilities; meeting regularly with school officials to participate in the planning, development, and evaluation of the Sudbury and Lincoln-Sudbury special education programs. Informational workshops are held as a resource for parents.
