

Summer Art Display at the Goodnow Library

If you are a student who likes to draw, help us decorate the library for summer! Our theme this year is wildlife whether it be wild animals on foot or in flight in your backyard or wild creatures that live in faraway places. If you would like to draw a picture reflecting our wildlife theme please bring it into the Children's Department of the library between June 9th and the 20th.

Pictures should be no larger than 9x12. We will be attaching artwork to a backing and want to let you know that we will be very careful with your pictures, but there could be minor damage when the artwork is detached from the backing.

If you would like your picture returned to you at the end of the summer, please have your full name either on the front or the back of your artwork and stop by before the end of August to retrieve your work.

If you have any questions please contact the library at 978-443-1035 x3. We are looking forward to a colorful and "WILD" display of artwork this summer!
